Professional having Two decades of Experience in Advertising Industry .

Started his carrier in the year 2000 with Lighting Industry, worked with Osram Lighting, Philips Lighting and Havel's . He then moved to 3M Commercial Graphics Division for 9 years, Worked as National Sales Manager, providing Services and Solutions for various BTL activities like Signage , Store Graphics , Environmental Graphics , Vehicle Graphics, Visual Merchandising , Display units and lighting solutions for Signage's.

He then moved to GE Lighting as country sales head for Signage LED Modules in South Asia. Post GE he was instrumental in re-establishing the Signage LED module business of Osram Lighting in India . After establishing the Osram business , he decided to start his own venture, starting with launch of New Signage LED Module , Distribution business with 3M Graphics Division Osram Led Modules and Signage Manufacturing.

The two decades in advertising has given him a 360° degree view of various branding activities in the retail market.
